

GRAS STATEMENT

Concerning the products:

- **crystalDextroGrape** (Crystallized grape dextrose)
- **crystalFructoGrape** (Crystallized grape fructose)
- **crystalGrapeSugar** (Crystallized grape sugar)
- **crystalMustGrape** (Solid Rectified Concentrated Must))
- **crystalDateSugar** (Crystallized date sugars)
- **crystalDextroDate** (Crystallized date dextrose)
- **crystalFructoDate** (Crystallized date fructose)

in all available versions (conventional, Halal, Kosher, EU organic and / or NOP).

NATURALIA INGREDIENTS s.r.l. states that:

all the products listed above meet the specification for food grade fructose as per the FCC monograph, for food grade dextrose as per the Food Chemicals Codex Monograph and 21 CFR 168.111, therefore they are considered GRAS by FDA.

This statement will be reviewed as necessary and you will be promptly informed of any changes made.
